

Sally Ride
Science

WHAT DO YOU WANT TO BE?

Here are just a few of the science careers you could choose from.

Aerodynamicist	Marine Geophysicist
Aerospace Engineer	Materials Engineer
Astrobiologist	Materials Scientist
Astronaut	Mechanical Engineer
Astronomer	Medical Illustrator
Astrophysicist	Meteorologist
Atmospheric Chemist	Microbiologist
Aviation Safety Engineer	Mission Designer
Behavioral Biologist	Navigation Engineer
Biochemist	Neurobiologist
Botanist	Neuroengineer
Chemical Engineer	Nutritionist
Civil Engineer	Obstetrician
Civil Systems Engineer	Oceanographer
Climate Scientist	Orthotist
Communications Engineer	Paleoclimatologist
Computational Physicist	Pediatric Neurosurgeon
Computer Graphics Engineer	Physical Therapist
Design Engineer	Planetary Scientist
Earthquake Seismologist	Plant Physiologist
Ecologist	Professor of Public Health
Electrical Engineer	Psychologist
Entomologist	Robotics Engineer
Environmental Engineer	Science Teacher
Environmental Reporter	Science Writer
Epidemiologist	Software Engineer
Flavor Chemist	Soil Engineer
Food Scientist	Systems Engineer
Forensic Pathologist	Transportation Engineer
Forest Ecologist	Veterinarian
Inventor	Veterinary Geneticist
Geneticist	Volcanologist
Geochemist	Wildlife Officer
Geographer	
Geologist	
Geophysicist	
Limnologist	
Marine Biologist
